### The New Martin Army

Martin Army Community Hospital's modern campus features three patient care areas: the Upatoi and Oak Ridge Clinics, and the main Hospital tower.

Patients and visitors may park in the Visitor garage for easy access to the Main Entrance and clinic buildings.

The new Martin Army Community Hospital will reflect the mission of the legacy facility: to provide world class healthcare, using the best clinical and business practices, in a culture of professionalism and excellence. Martin Army strives to improve the health of the Fort Benning military community and beneficiaries by deploying the most qualified team of caregivers, ancillary service providers, and hospital administrators to promote a positive patient care and educational environment for our community.
